

Alex S. Kosich, Jr. AIA

Renderings & Design Sketches

Alex has over 23 years experience in the field of architecture, including 11 years in his own private practice focusing upon providing conceptual design and illustration services. He is a master in designing early impressions on a wide variety of land uses and building types and styles and his graphics have been featured in many prominent architectural journals and at land development conventions and trade shows. His clients are a who's who of the most active design and planning firms in the world RTKL, HOK, Gensler, Altoon & Porter, Langdon Wilson Architects; MBH Architects; Ehrenkrantz, Eckstut & Kuhn Architects; Knott's Berry Farm and Universal Studios.

Alex is a member of the American Institute of Architects, National Council of Architectural Registration Boards, and the US Green Building Council.
