

**Su Chen**

*Planner & Architectural Designer – Beijing*

Su Chen brings over eighteen years of multidisciplinary design experience while working throughout the United States and China. His versatile background includes large scale master planning, architecture, landscape architecture and interior design of many new towns, commercial, residential, educational, research and technology projects in Dalian, Shanghai, Beijing, Suzhou, Guangzhou, Chongqing, Shenzhen, Tianjin, Xiamen and Kunshan. Su started his career at Gensler Washington DC and moved to China to establish their new office in Shanghai in 2001. Later, Su helped form Core Design Group in Beijing, where he oversees over 40 design and engineering professionals.

Master of Architecture, University of Maryland

Bachelor of Landscape Architecture, Tongji University, Shanghai
